*New Hampshire*

Gone are the days of lugging around a bulky, bland diaper bag that makes you walk lopsided and seems like a bottomless pit when packed with bottles, diapers, snacks and toys. Many new mothers don't want to compromise fashion for family and now there is finally a diaper bag that lets them have both. Danielle Elizabeth Designs combines style, function and organization. Diaper bags are available in a variety

of colorful prints to suit every parent. Additional accessories include large and small blankets, zipper pouches for extra clothes or snacks, and a diaper clutch that carries all the essentials for a quick change. All bags and accessories are made in the United States. Danielle Elizabeth Designs retail around \$195 and can be found online at [www.danielleelizabethdesigns.com](http://www.danielleelizabethdesigns.com) or call (626) 484-6634.
